- Long sleeve shirt required
- Long pants required
- Helmet required
- Riding gloves are recommended
- Chest Protectors are recommended
- Elbow Pads are recommended
- Riding boots or heavy duty work boots required
- Racing neck brace recommended
- Harness required if racing SXS
- Operating Kill Switch required
- No passengers allowed when racing SXS
- Parent/Legal guardian MUST sign the minor release form for anyone under 18 years of age on the bottom of the driver entry form.
- Racing classes are divided by motor size (cc) and age for kids and adults

## **Quad and SXS Racing Information**

- We will start 3 or 4 wide depending on number of Quads or SXS in each class.
- Laps are ran using right-handed turns.
- Riders must give way to advancing racer.
- Restarts are single file after 1 completed lap.
- Idle speed ONLY when in Hot area and in Open pit area.
- Flagmen orders MUST be obeyed or you will be disqualified.
- If an accident happens or a caution flag is shown while racing, the Flagmen will instruct racers which direction to proceed and stop.
- Lap counts for Kid classes are Minimum 3/Maximum 5 for Heat races and Maximum 5 for Feature race.
- Lap counts for Adult classes are minimum 4/Maximum 6 for Heat races and Minimum 5/Maximum 10 for Feature race.
- Quads will race within the qualified classes only per the class listings.
