www.rockislandfair.org

The 2022 Rock Island County Fair will be held Tuesday, July 19th through Saturday, July 23rd, 2022. With the great success of the 2021 Rock Island County Fair comeback, we will again bring agriculture, family fun and entertainment to the thousands of fairgoers who attend each year.

Although the fair remains our largest happening of the year, we host many other community events that consider the Rock Island County Fairgrounds home. As a non-profit association, we value the local organizations and businesses who provide their support in continuing the tradition of educating our youth about the importance of agriculture, as well as being involved with the county fair. We offer our facilities free of charge to organizations such as University of Illinois Extension with the local 4H Clubs, Rock Island County Home Extension, and the Rock Island County Master Gardeners who all share our mission.

Continuing to provide agricultural education, to both the rural and urban demographic in our community, is a constant challenge and we are asking for your help. Your donation to the Rock Island County Fair Association, allows us to continue our tradition of agricultural advocacy through community events.

We have included more information on our sponsorship levels and are confident that you can find one suitable to your needs, however, feel free to reach out if you are interested in customizing one! The Rock Island County Fair Association is a 501(c)3 corporation and all donations are tax deductible.

Your support is greatly appreciated. We hope to see you at the Rock Island County Fair!

Sincerely yours,

The Rock Island County Agricultural Fair Association
